### ***Grasslands and their Conservation in Tennessee and Kentucky***

Guest Speaker: Jeremy French  
Farm Bill Wildlife Biologist  
Quail Forever & Southeastern Grassland Initiative

Jeremy will provide an overview of the historic grasslands of Tennessee and Kentucky. What did they used to look like? What do they look like now? He will explain what needs to be done for grassland preservation.

Jeremy French is a partner wildlife biologist with Quail Forever, American Bird Conservancy, Natural Resources Conservation Service, and Southeastern Grasslands Initiative working on conserving grasslands and grassland species in 30 counties in Tennessee through an RCPP farm-bill program.

*Meet socially at 6:30 pm – Presentation begins at 7:00 pm*
