

Wild Ones Middle Tennessee Chapter Meeting

Monday, September 28, 2020 at 7:00 pm

See chapter [web page](#) for Zoom details

Guest Speaker: Cooper Breeden

Southeastern Grasslands Initiative

Coordinator, Tennessee Plant Conservation Alliance

Preventing the Extinction of Rare Plants in Tennessee

The primary goal of the TN Plant Conservation Alliance is to bring together a variety of partners to prevent the extinction or extirpation of our rare plants. This presentation will provide an overview of the best practices in plant conservation, using current examples to illustrate these practices.

Zoom Meeting opens at 6:30 -- Everyone welcome!
