

Wild Ones Middle Tennessee Chapter Meeting

Monday, November 23, 2020 at 7:00 pm

See chapter [web page](#) for Zoom details

Guest Speaker: Roger McCoy

Director, Division of Natural Areas

Tennessee Department of Environment and Conservation

Current Research and Conservation Action for the Federally Threatened White Fringeless Orchid in Tennessee

Roger will provide an overview of Tennessee's Division of Natural Areas. He will follow with a report on his joint work with Todd Crabtree (TN Division of Natural Areas) and Geoff Call (U.S. Fish and Wildlife Service) to help protect the federally threatened White Fringeless Orchid (*Platanthera integrilabia*) in Tennessee.
