

## Wild Ones Middle Tennessee Chapter Meeting

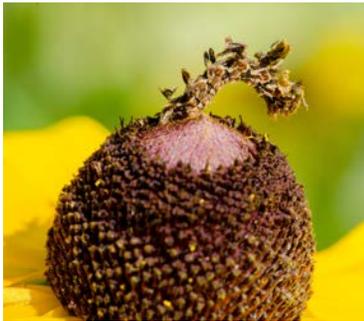

Monday, January 25, 2021 at 7:00 pm

See chapter [web page](#) for Zoom details

Speaker: Richard Hitt

President, Wild Ones Middle Tennessee Chapter

### ***Native Plants in the Landscape ... and the Life They Support***

Richard will begin with an overview of the major native plant families of Tennessee. He will address the topics of why we should plant native species and how much of our landscape should be devoted to natives?

The benefits of using native plants will be illustrated with examples from his own suburban landscape in Franklin, TN.

*Zoom Meeting opens at 6:30 –  
Everyone welcome!*
